

Your Member Experience

with The Wellbeing Partners

The Wellbeing Partners acts as the bridge between workplace and community, by helping organizations build a healthy workplace culture to foster employee wellbeing while also providing the opportunity for employers to have a part in improving the communities where their employees live.

We do this through:

Learning where you are, where you want to be,
and taking steps together

Advocacy

- Regional Health Council
- Mental health stigma reduction coalitions and resources
- Social determinants of health within the workplace
- Ignite Awards for those lighting the way in wellbeing

Collaboration

- Partnerships with regional conveners
- Member connection opportunities
- Workgroup facilitation
- Trek Up the Tower in collaboration with FNBO

Education

- Monthly Thrive newsletter
- Member resource portal
- Wellbeing forums
- Parent and educator resources
- Xchange Summit
